2010 Bernalillo County Bond Issues
No Tax Increase
Matching Funds

Six Important Questions will appear on the November 2nd General Election Ballot to fund Community Improvement Projects.

COUNTY BOND ISSUE #1

Library Books and Materials

\$1,500,000 to keep our Albuquerque/Bernalillo County Library system updated and to assure a quality educational resource for everyone – all library branches will benefit.

COUNTY BOND ISSUE #2

Public Safety

\$500,000 to plan design, construct and equip a 7000 square foot animal shelter.

COUNTY BOND ISSUE #3

Parks and Recreation Facilities

\$2,300,000 for improvements to parks, pools, community centers, soccer fields and a Senior Meal Site.

COUNTY-WIDE PARK IMPROVEMENTS - new weather stations, signs, trees, site furnishings, shade structure, backflow prevention box and other redevelopment.

LOS PADILLAS COMMUNITY CENTER PARKING LOT - will include crusher fine.

SOUTH VALLEY GATEWAY PARK – will complete Phase 2 construction.

RAYMOND G. SANCHEZ COMMUNITY CENTER – will include a site master plan and redevelopment of the eastern portion of the site for recreation activities including an indoor pool and skate park.

ALAMEDA SOCCER FIELDS – purchase and install new post and cable around soccer fields and net to protect adjacent home.

RIO BRAVO PARK – a new irrigation system and new shade structure.

PARADISE HILLS COMMUNITY CENTER AND MEAL SITE – plan, design, construct and equip a new Senior Center and Meal Site.

COUNTY BOND ISSUE #4

\$2,300,000 for a new Public Health Facility to plan, design, construct, renovate and make improvements to a 56,000 square foot facility.

COUNTY BOND ISSUE #5

\$12,000,000 for the design, construction and repair of roads and related non-motor vehicle pathways within Bernalillo County.

ASPHALT PAVING OF DIRT AND GRAVEL ROADS – Asphalt paving for unincorporated area dirt and graveled roadways or replacement of substantially deteriorated paved roadways.

COUNTY ARTERIAL PROGRAM – Comply with DOT arterial road program.

ISLETA BOULEVARD AND VILLAGE CENER SECTOR PLAN – plan, design and construct the first 5 miles of south of Isleta Boulevard south of Rio Bravo to provide surface deteriorated pavement.

SUNPORT EXPANSION BOULEVARD TO I-25 – A corridor study to help plan for future growth within the County.

COORS BOULEVARD AND BLAKE ROAD INTERSECTION – Construction of the west leg of the intersection including two new loops.

BLAKE ROAD BARCELONA PLACE TO COORS BOULEVARD – Reconstruct the road to accommodate new development.

FROST ROAD TRAILS CAMINO ALTO TO SANTA FE COUNTY – Frost Road soft use trail from NM 14 to Camino Alto and trail construction from Camino Alto to Vallecitos and shoulders from Vallecitos Road to the Santa Fe County line.

ALAMEDA EUBANK ROAD AND TRAIL BARSTOW TO PASEO DEL NORTE – Roadway improvements with increased capacity, a new road and bicycle pedestrian trail, 15 feet along Alameda and 30 feet along Barstow.

BRIDGE BOULEVARD COORS BOULEVARD TO ISLETA BOULEVARD – Reconstruct Bridge Boulevard including raised medians, turn bays, pedestrian and bicycle improvements, signalization and landscaping including a traffic circle at Five Points and other locations.

LA ORILLA ROAD IMPROVEMENTS – Drainage and roadway alignment and improvements to La Orilla Road at the intersection of Via Corta del Sur. These funds would be used for right of way acquisition.

OSUNA 2ND STREET TO RAILROAD CROSSING – Design for intersection improvements.

COUNTY BOND ISSUE #6

\$6,400,000 for the design construction and repair of storm sewer and wastewater systems.

JOE SANCHEZ ROAD AND STORM DRAIN – Storm drains and inlets and discharge on Joe Sanchez Road and surrounding roads.

RAYMAC STORM DRAIN – Storm drains, inlets and discharge on Raymac Road from Howe Drive west to the Isleta Drain and storm drain inlets on Cocono Circle discharging to the Isleta Drain. Drains and inlets near Polk Middle School discharging into the Los Padillas Drain.

VISTA DEL RIO STORM DRAIN – Storm drainage facilities to collect storm water and remove it from the area directing it to a detention pond. Curb and gutter will be installed on the roadways to prevent runoff from entering private property.

COORS SOUTH VALLEY STORM DRAINS – Drainage system at Los Padillas, Lucca, Merz and Powers Way.

SHIRK-LAGUNITAS WATER LINE – Provide domestic water service in the area including water mains, services lines and fire hydrants.

RIO BRAVO/DEL RIO SEWER LINE – Provide a new municipal (ABCWUA) sanitary sewer collections system to the entire project area.

BLACK MESA DRAINAGE PROJECT – The project will provide a storm drain conveyance system that will help alleviate flooding in the project area. This project will be designed and constructed in 3 phases.

GARDUNO ROAD STORM DRAINS – Construct storm drain on Garduno Road both east and west of 4th Street. Construct outfalls to the PDN ponds.
